To Whom It May Concern:

It is with pleasure that I write this letter, on behalf of my husband and myself, to show our appreciation and gratitude for the excellent, personal service we received from our salesperson, John Gazzuolo, as we chose our new furniture for our new home during the Spring and Summer of 2012.

John was so very helpful and patient as we made our selections, and always was ready to "double-check" items and order numbers so everything was done perfectly!!!! His knowledge of the products was first-rate, and that gave us the confidence to order without doubt or reservation. Going up and down those stairs certainly pained us, watching him search for just the right item that we were questioning.....I hope this letter finds John doing well after his surgery!!!! Looking thru all those fabrics, choosing just the right one for us, was quite time-consuming, however, John was there to help in the process, and now, as we sit in our new home, with all this beautiful, well-built furniture around us, we think of John and THANK him for guiding us along the way!!!!

Please share this letter with John.....and know that he certainly goes above and beyond to serve FISH customers!!!!

THANK YOU, JOHN!!!! We couldn't have done this without you!!!!
