Dear Dan:

I am very pleased to congratulate Fish Furniture for ranking among the top 75 employers in Northeast Ohio in The Plain Dealer's upcoming Top Workplaces 2010 section. You should be proud of your inclusion in the inaugural edition of this section, created by our business editorial team in cooperation with Workplace Dynamics.

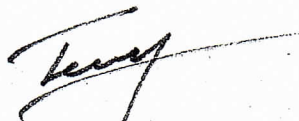

The companies included in The Plain Dealer's Top Workplaces 2010 list were selected based on an exhaustive survey of employees conducted by Workplace Dynamics, measuring qualities such as company leadership, compensation, training, workplace flexibility, and diversity. The rankings and overall results will be showcased in the Top Workplaces 2010 section in The Plain Dealer on Sunday, June 20.

In recognition of this honor, we will be sending you some additional copies of the publication for you to share with your employees. We will also send you a press release template and a Top Workplaces 2010 logo for your use in marketing communications.

We believe this is a great opportunity for you to publicly thank your employees or to share a message about your company. To receive information about placing an advertisement in this section, contact Pam Wagner, Recruitment Advertising Manager at (216) 999-4783 by Thursday, June 10.

Again, congratulations on this notable honor.

Sincerely,

Terrance C. Z. Egger
