Dan Geller,  
Fish Furniture

Hi Dan,

You may not remember me, my name is Chuck Sinito. Maria Silvestro and I live in Mayfield Hts. and last year we purchased an expensive Bedroom set from you and Jim was our sales person. We were very happy with the deal we made with you and Jim was a great sales person who handled the sale for us. The delivery went well and the guy's did a good job. During the first year there we a few little nicks that needed to be taken care of and you sent your refinisher out to take care of them and it went well.

This past xmas we purchased a dining room set from Jim and as usual he was very helpful in helping Maria choose the right one. It was delivered and we had 20 people over for xmas dinner and they all were very impressed.. After saying how nice it was they all wanted to know where we bought it and of course we said Fish Furniture. The delivery men did a nice job.

Maria also brought her Mom in and she purchased a Sofa from Jim who handled it very well. Jim is a pro.

All of your people that we have dealt with are very professional, pleasant and willing to help. We have now made three major purchases from you in one year's time and we will be back for our next purchase.

Sincerely;  
Chuck Sinito & Maria Silvestro
