Dear Mr. Geller. I am so very grateful to you for exchanging the mattress for me. I realize you were under no obligation to do this, and it just shows me that you are a truly caring and nice person. I am very pleased with the offer you gave me and feel that I have found the mattress that is best suited for my situation. Lisa at the North Olmsted store was extremely helpful and my good feeling about Fish Furniture is still strong. I will certainly recommend your store to my friends. Thank you again for helping me out of a bad choice. I am forever grateful to you.
